- 4 Intro:
The image is of Africa but zooms into Cape Town South Africa where there is a location pin.

- 5 Backstory: 117,000 years ago the first recorded humans travelled from central Africa to the south, they are known as the San.
 - ▶ The text will be read in Sepedi but show up in English
 - 🌀 Show humans walking down from

- 6 On this journey you and your friends will dive into the San and the first character they meet is Tjenga. (He is a character from the traditional story, Eland Man).

7 Tjenga tells the space characters about local hunting traditions. In the environment, players can learn about vocabulary by clicking on various items (bow, tree, man). These items will also be said in Sepedi as the player clicks the items.

8 They set off to go hunting for local wild animals. The player will get to choose what they want to hunt for (eland, porcupine, gemsbok)

9 As they set off, they find footprints of an animal...
eland, gemsbok, porcupine.

10 The player will get to decide which they follow.
